

Student_App

1. Open → <http://localhost:8080/> → List of students & add form.

2. Add student → Submits

The screenshot shows a web browser at localhost:8080 displaying the 'Student App'. The app has a blue header with the title 'Student App' and navigation links: 'Home', 'Add Student', and 'View Students'. The main content area is titled 'Add Student here!' and contains a form with the following fields: 'Student Name:', 'Student Class:', 'Student RollNo:', 'Student Gender:', and 'Student Dob:'. Each field has a corresponding input box. Below the form is a green 'Add' button. At the bottom of the page, there is a section titled 'All Student Data' containing a table with the following data:

Id	Student Name	Student Class	Student RollNo	Student Gender	Student Dob	Action
1	priyanka	Bandi	12	Female	13-08-2001	Edit Delete

3. Click edit → Shows edit form.

4. Update → Redirect back to list.
